

SPECIAL OFFER

for Rawplug's best customers

We would like to invite you to become a participant of Rawplug's new training project, which meets 3 basic criteria of effective learning: practical **KNOWLEDGE**, interesting **CONTENT**, attractive **FORM**. Now all these are available for you when you are in your office or while you work from home or rest in your garden. A series of online seminars, being led by Rawplug experts is about to begin!

What are Rawplug Academy® webinars about?

Rawplug's webinars concern top products and services from Rawplug's offer, including special made movies and presentations. How to choose them correctly? What are their competitive advantages? What shows their uniqueness? What are their technical parameters? How to install them correctly? You will find the answers for all these questions during live meetings with Rawplug experts. Webinars are designed taking into account the potential and individual markets' needs, as well as the specifics of each professional groups of the sector.

Who are the Rawplug experts?

Rawplug experts are people responsible for product development, product sale and knowledge management at Rawplug - product managers, product trainers, R&D specialists, different sectors of the construction industry representatives, including Radoslaw Koelner, CEO of Rawplug!

What will you experience thanks to the Rawplug's webinars?

As a participant of live seminars you will have the opportunity:

1. To familiarize yourself with the presentations and to **watch videos** that will deepen and consolidate your knowledge about Rawplug products and their competitive advantages.
2. To listen to the important information, tips and **interesting facts about products** and services.
3. To get answers to all your **questions**.
4. To take part in **discussions** with representatives of **various sectors**, from all over the country.
5. If you wish – **to see live tests** using Rawplug's products.

How to join the webinars?

Choose one or more webinars that interest you and apply to your Rawplug sales representative with a number or title of the webinar. Two days before the chosen webinar date, you'll receive an invitation with a link to the MS Teams application.

How to join the webinars technically?

Select Join Microsoft Teams Meeting in your meeting invite, then you will be taken to a page where you can choose to either join on the web or download the desktop app. If you already have the Teams app the meeting will open there automatically. If you don't have a Teams account:

- ENTER your name to join the meeting as a guest or
 - SELECT Sign in to join with access to the meeting chat and more.
- Learn more about it, using the link: <https://bit.ly/2XEFj2c>.

What kind of webinars are available?

Please find attached a list of available webinars - we will keep you updated if some new are on the list. Important! There is the date of the meeting and the date when we need to receive your application confirming your willingness to participate in the webinar.

Do you have any other questions?
